

Lieutenant Governors,

We hope you're having a successful term. As the Service Planning Committee, we have compiled a list of sample Division Wide Functions you could hold for your Division! We hope this helps inspire you into planning an event for your Division!

*Service Planning Committee
2016-17*

- 
- ♦ Have a celebration dinner with the whole K-family. Key Clubbers and Kiwanians can bring in food and utensils, K-kids members can help set up tables and decorate the room, Builder's club can serve the food, and Key Clubbers can provide some sort of entertainment. Make a Google document or establish some sort of way of knowing who will be bringing what food.
 - ♦ Bring the community together and host a pancake breakfast. This can be fun and easy to organize and can make a great Kiwanis-Key Club joint project, making the connections stronger with each other and the community. Placemat advertising can be sold to raise money to donate to a charity. You can even sell raffle tickets and offer prizes to the winners.
 - ♦ Hold a sports competition and have the money raised from that be donated. Each team can choose a preferred charity to fundraise and donate the money to.
 - ♦ Host an "art day" for your Division. Invite the Aktion Club and spend the afternoon painting and crafting.
 - ♦ Make paper bag lunches and take them to your local soup kitchen.
 - ♦ Host a clean up day at a local park, lake, playground, or school..
 - ♦ Make birthday cards and take them to your local assisted living.
- 

- 
- ◆ Spend the afternoon at your local senior center. Play Bingo with them. Make sure you bring prizes. Senior Citizens love prizes!
 - ◆ Coordinate with Kiwanis and plan a joint service project.
 - ◆ Have a pizza party! Get a bunch of pizzas and enjoy spending time with your Division. It's a great opportunity to get to know them better!
 - ◆ Hold a holiday bake off. Have your clubs bake some treats and have a fun, holiday themed tasting party.
 - ◆ Have a game night! Play games and bond.
 - ◆ Write thank you notes for your local emergency services. If you are able, bake some treats to go with them.
 - ◆ Go Christmas caroling at your local nursing home. You can even make homemade cards to pass out while you are there.
 - ◆ Plan a Key Clubber's night out. Go out to eat and do something fun afterwards. You could go to a movie, play mini-golf, or just hang out.
 - ◆ Hold a Pinterest party for the ladies of your Division. Get together and try out some fun DIY's from Pinterest. They might not turn out perfectly, but you will have a fun time trying anyway!
 - ◆ Make Valentine's Day cards with your local Aktion Club!
 - ◆ Host a trivia night! Come up with a bunch of questions and have fun!
 - ◆ Have a talent show! Charge for admission and then the profits can be donated to charity!
