FEBRUARY NEWSLETTER

Editor's Update

Dear Carolinas District,

I hope you all had a wonderful February and are gearing for all the bittersweet endings and exciting new beginnings. I have adored seeing all of your hard work over the past month, especially the virtual accomplishments you have organised, such as the LTG Interest Webinar and the UNICEF Webinar. It is my hope that this hard work continues as we continue to plan, set up, and eventually execute a successful District Convention. I cannot wait to see you all on March 7th!

*Yours in Service,
George Powell*

DCON Info

District Convention is a hot topic amongst the Carolinas District right now. Gearing up for this massive event is one of the most important parts of an LTGs term. I would love to guide any of you through creating promotional content if you would like to use social media. I have been hard at work recently to promote this event on our Instagram and you guys are more than welcome to use any resources I post or send out, including our promo video! Be sure all of your clubs attending are excited and enthusiastic about DCON this year!

Monthly Article

This term, Mr. Johnson's email signature has read "People say you don't know what you've got until it's gone. Truth is, you knew what you had, you just never thought you'd lose it." -Clarissa Wild. As you can imagine, with lots of emails, I have seen this a number of times but now, as I am preparing to leave my role as District Editor, it means far more now than it ever has before. We have two week (and they will be busy and likely stressful) to finalize Convention planning. It's important to take these weeks in, but come March 7th, when you walk through the hotel doors, my one piece of advice is to stop and take everything in. Whether you are excited for your term to conclude, or extremely upset that it is, you will look back on this weekend for the rest of your life, so soak in every moment! Thank you all for being a part such a massive experience for me.
