# CAROLINAS KEY CLUB<sup>®</sup>

*Dear Carolinas District Board,*

Happy February! You all have been very busy this month and it's exciting to see all the great events you're holding!

As many of you know, the Club Suspension Deadline passed a few weeks ago on February 1st, and divisional reports went out the next week. Please be sure to read through page 3 on next steps for your clubs. I've also included information on page 2 about what dues information to include for RFL since many of you have been reaching out with questions

Please don't hesitate to let me know if you need anything!

**Yours In Service,  
Shruthi Meenaksh**

# *Dues Report*

Clubs that did not get their dues in before February 1st are now being suspended. I have been reaching out to your clubs that have not paid as well in an effort to help you all have more paid clubs in your divisions. If your division has any updates, I will continue to send you updated divisional dues reports until DCON so that you can get the most points in your RFL binder.

## *What's Next for Clubs?*

Now that club suspension has begun, here are the next steps for clubs of each status.

**Paid:** These clubs are set regarding dues for the rest of your current terms!

**Suspended:** These clubs need to submit dues if they are still meeting. There are no additional fees or paperwork, but they should submit as soon as possible.

**Inactive:** These clubs need to submit reactivation paperwork and pay a \$23 reactivation fee to return to an active status.

# *RFL Dues Information*

Sections 7 and 8 in your RFL binder focus on dues information for your division. Here is more information on what to include in these folders.

## **7. Dues collection**

The divisional dues report should be sufficient for this section. If you have any emails demonstrating your efforts to encourage dues payments or emails that could explain why a club wasn't able to submit their dues by the deadline, you may include them as well.

## **8. Club growth**

Clubs that appeared between dues reports were chartered or reactivated. Any emails or communication showing your work in the charter/reactivation process can be included in the section. Even if you didn't take part in reactivating or chartering a club, you should still include it in the section, and you can still receive the points. If you have any questions or are not sure if any of your clubs could be included here, let me know and I can send you an email with the official information to use in this section!

# *Webinar Recaps*

We had two successful district-wide webinars hosted by our LTGs this month! Here's a quick recap of each.

## **LTG INTEREST WEBINAR**

**FEBRUARY 5TH, 2024**

The LTG Interest Webinar was held for Key Clubbers in the district interested in running for LTG at DCON this year. There were over 40 members in attendance who are eager for the opportunity to serve the district! Reach out to LTG Vinh if you have any questions.

## **UNICEF WEBINAR**

**FEBRUARY 7TH, 2024**

LTG and Carolinas UNICEF Champion Gracen held a meeting to educate and inform members about Key Club's partnership with UNICEF. She discussed the impact UNICEF has made and what the Carolinas district has contributed to the cause. Reach out to Gracen if you would like more information!

# Youth Opportunities Fund

[KEYCLUB.ORG/YOF](https://keyclub.org/yof)

Twice a year, Key Club International offers a grant for club service. Clubs that have great service ideas but lack funding are encouraged to apply! Grants range from \$250-2,000, and clubs must have paid their dues and be in active status to apply. Be sure to push the second round of applications due on **March 1st!**

## *Spotlight on Service*

[CAROLINASKEYCLUB.ORG/SPOTLIGHT-ON-SERVICE](https://carolinaskeyclub.org/spotlight-on-service)

Every month, the Carolinas District highlights one club for their work on an especially unique service project! Visit the link above to submit your club's projects and email [spotlight@carolinaskeyclub.org](mailto:spotlight@carolinaskeyclub.org) to be featured. This is also a great place for inspiration for your own projects.

## *Next Steps*

Finish up your committee work and RFL binders before you arrive for DCON. Get excited for the convention and make sure you arrive at the Sheraton Imperial Hotel by Thursday evening!
