Preferred Charities

Rustic Pathways

Rustic Pathways is an international program that hopes to empower students through innovative and responsible travel experiences to positively impact lives and communities around the world. Those who participate join others in a journey across the world, all in the name of service! For a whole week, participants are emerged in travel, culture, community, and service opportunities. This gives participants a way to travel and explore the world, all while helping others the entire time!

- Selling Valentines day flowers
- Blind Auctions
- Sweethearts dance
- Miracle Minute

Thirsty Thirty:

This January, Kiwanis International is teaming up with the Thirst Project to participate in Thirsty 30. This is a way that your club can commit to raise money for clean water projects in underdeveloped nations, especially in Swaziland. Here are a few easy steps to ensure Thirsty 30 for your club is a success:

Start by identifying how many people you want to participate in this fundraiser. Do you want just club members, or do you want your whole school to be involved?

Number envelopes to match the number of participants.

Have each person pick up an envelope. The number on the envelope is the amount of money that person will be committed to raising!

Now, everyone has 30 days to raise money to help change the world!

Remember, your club doesn't have to wait until January to start the magic. Anytime is a great time to make a difference in the lives of others. Think about classroom competitions or challenging each person involved to ask others for help as a few ways to get started. Let's do this!
