Aleksei's Articles

Dear Carolinas District,

I hope everyone is doing well and excited for District Convention, which is less than 2 weeks away! Make sure to read this newsletter all the way to the end so you don't miss out on anything important.

I am extremely proud to see the good work that all of you have put in this year. Some of you have really gone above and beyond, and it is so exciting to see how much you all care about service.

It seems like just yesterday that we started our terms at BDLE at Boys and Girls Homes. I hope that all of you enjoyed your term, and were able to learn valuable life skills. For those of you running for office next year, I wish you the best of luck.

Feel free to reach out to me at sec2324@carolinaskeyclub.org with any questions you may have!

Yours in Service,
Aleksei

03 District Convention

04 Social Media and Contact Info

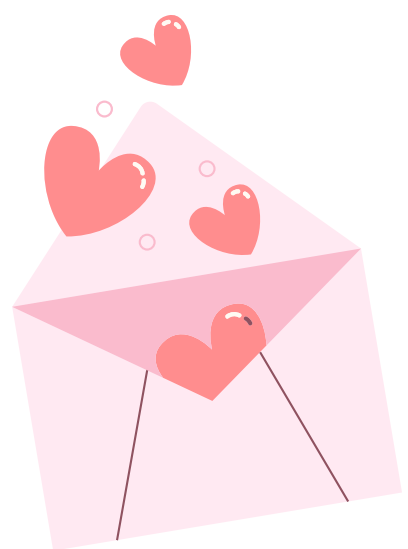

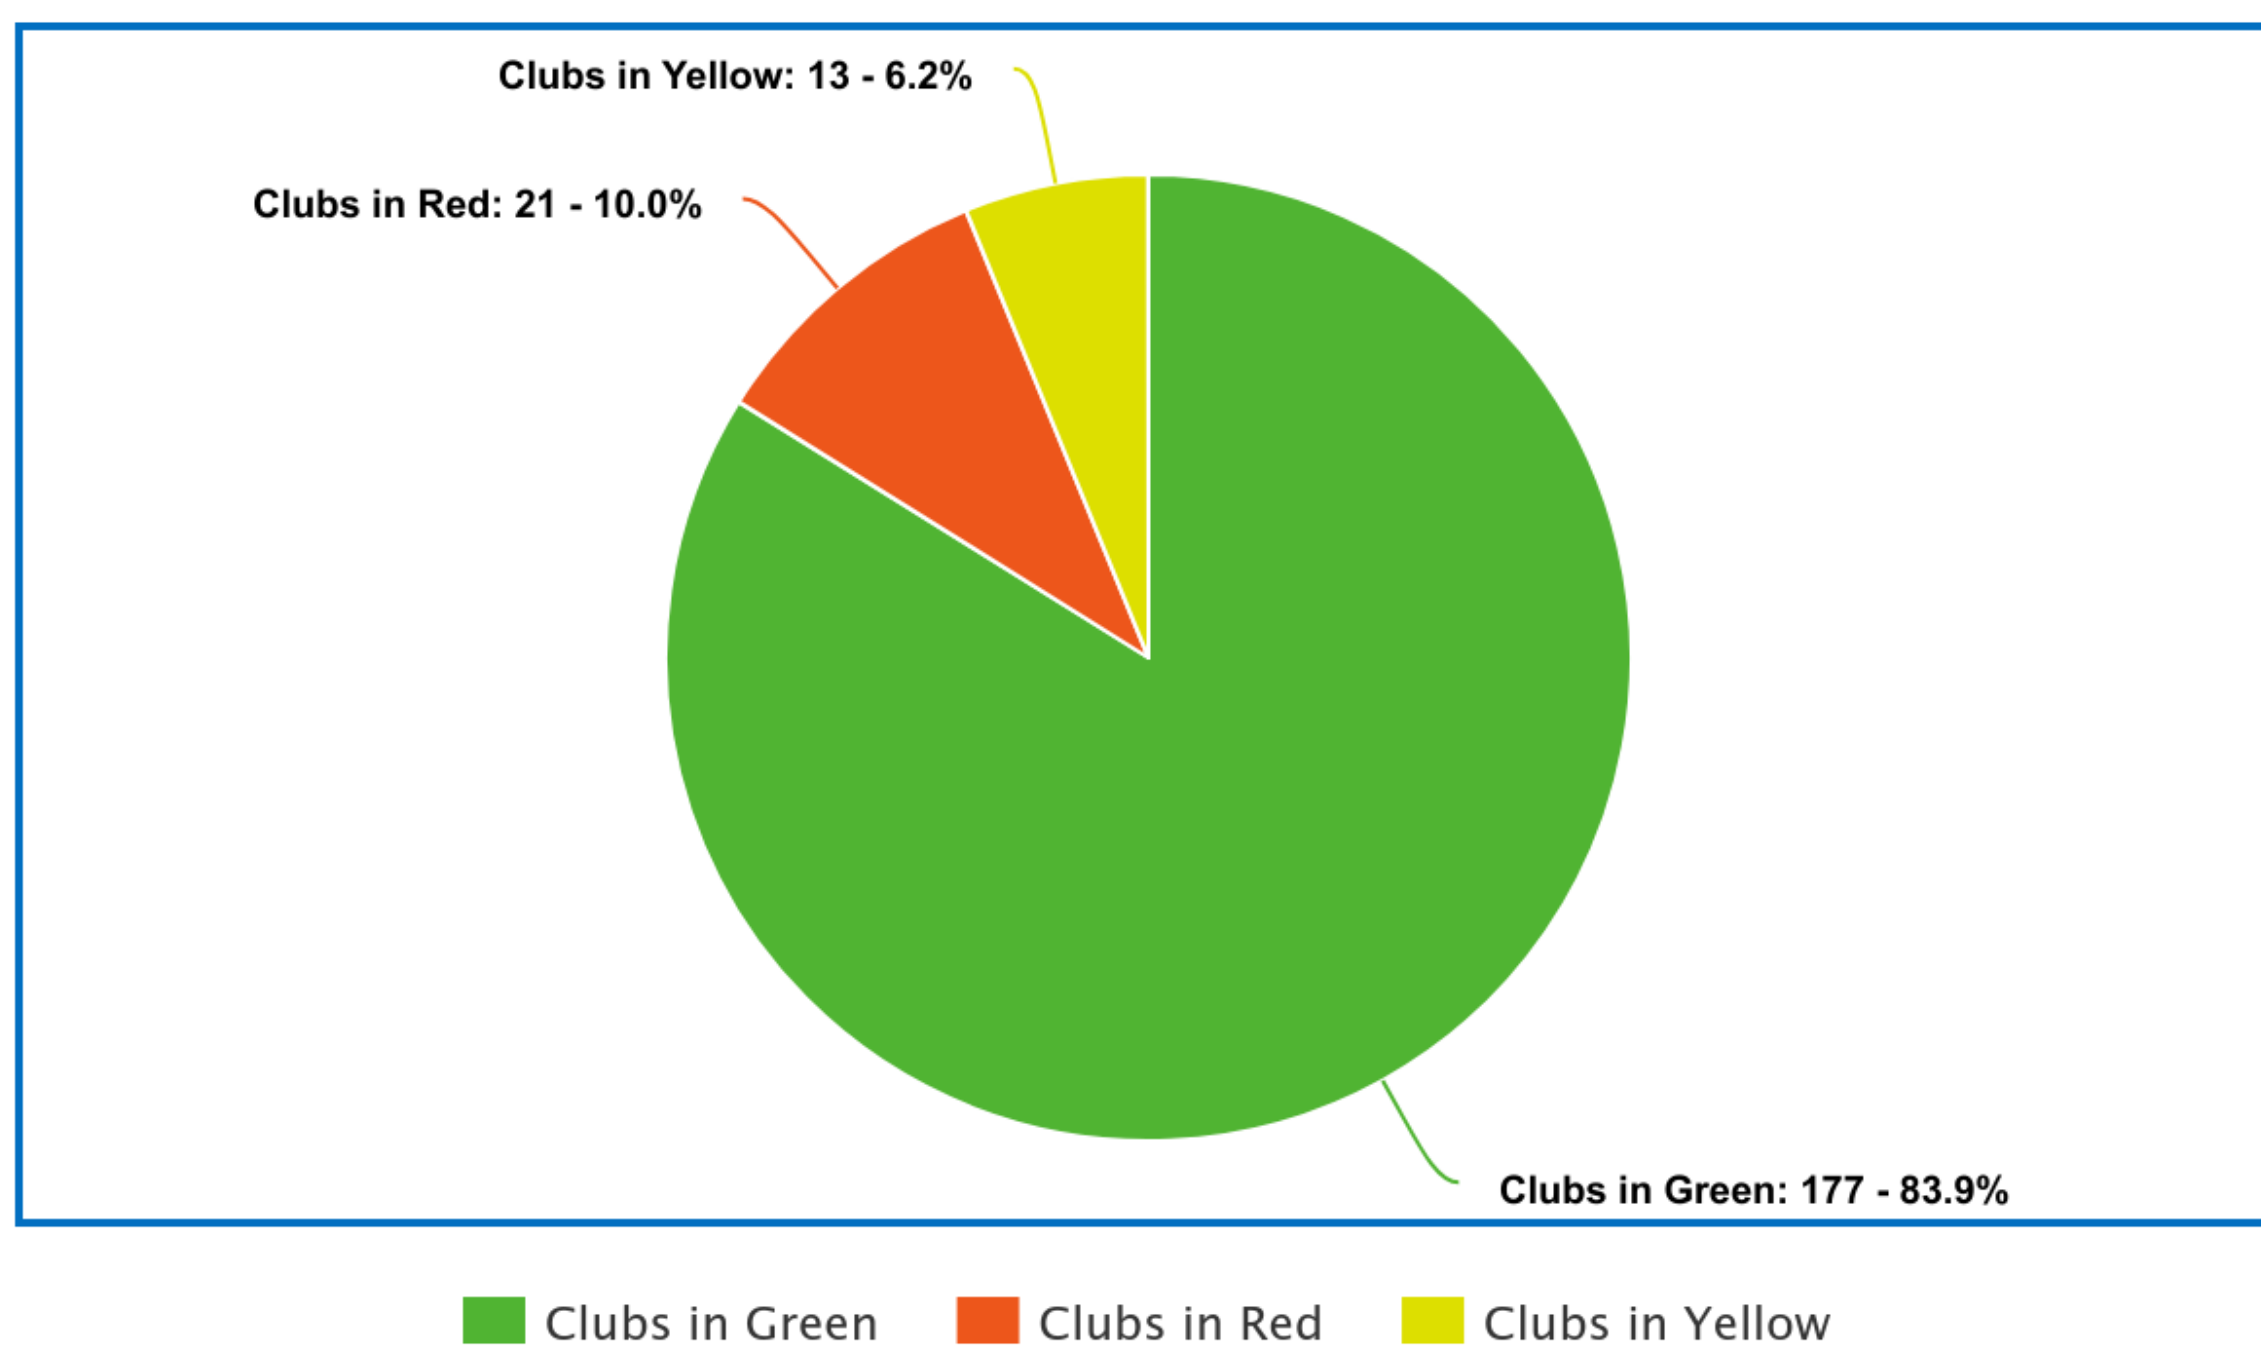

Club Contact Information

We have had **2 clubs** become green since last month. Since this is towards the end of the Key Club year, this drop off in new club contact information is not surprising. This time last year we only had 40% of clubs' contact information.

Because it is nearing the end of your term, make sure to fulfill all of your RFL requirements. Now is your last chance to get a Division Wide Function or PCM in before DCON.

I am extremely proud of the work that I have seen you all putting in this year, and am excited that we are finishing of our terms with this much contact information!

Club Contact Information as of 2/25/24

International Convention

International Convention registration will go live the weekend of DCON. I highly recommend starting the advertising process for ICON before that happens so you can create excitement about it. The information packet can be found [here](#). Don't forget that even if you are a senior or not planning to be part of the board next year, we encourage you to register for ICON. If you have never been to an ICON before, I highly recommend the experience.

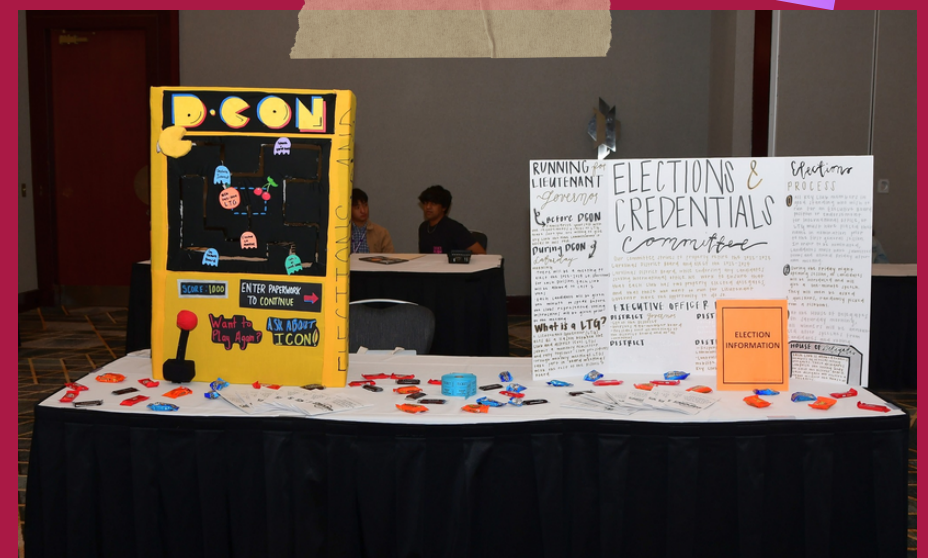

District Convention

District Convention is in **two weeks!** I hope that everyone is as excited for it as I am. Be on the lookout for emails from the District Board, so that you are fully prepared for DCON. We are arriving early on Thursday so that we are completely prepared for Friday, once the Key Club members arrive. On Friday afternoon, it is imperative that you show your excitement about DCON to the attending members. If we act like we have somewhere else to be then it gives the impression that we don't care and they shouldn't have come.

If you haven't started working on your RFL Binder, then now is the time. If you go to DCON without a binder then you will be turned away. This binder is not only a reflection of your term, but also a celebration of how much work you have accomplished.

For the clubs in your division who are attending DCON, remind them about all the different opportunities available at DCON. Like the talent show competition, the oratorical contest, and, of course, running for Lieutenant Governor.

I recommend that you start packing for DCON this week. We will definitely be business professional for some of the sessions, and it is important to dress for success when you are a leader.
